Message from Mrs Crossley

Today in Collective Worship, we talked about what a school council is and asked children to think about whether they would like to apply to be on the school council for this academic year. Class teachers have given out forms today and elections will be held next week. We do have a few children off poorly today so please ask on Monday if they would like a form.

A big thank you to parents who have returned the Junior Duke form already. Please do have a look at the website if you are still deciding whether to enroll for this. We would love this to be a whole school venture and all adults in school are excited about getting this going. Pop in and speak to the office if you are unsure about what's in the booklet that you pay for or for any other information.

Our Christian Value for this half term is Thankfulness and in class yesterday, the children reflected on what they are thankful for. These were very moving to read and it is clear that our children are very appreciative of not only their family, friends and school but also the beautiful world around them. Our work on values is a well-embedded and well-established element of what we do here at Aberford and we are thankful for the way in which our children embrace these and try their best to live out each value throughout their time in school.
