### 20<sup>th</sup> September 2024

#### Message from Mrs Crossley

In our collective worship time this week, Mrs Shaw has led assemblies on being brave and doing the right thing, not the easy thing and also on the importance of rules. This has led to some lovely reflections from the children about people who they know of who are very brave and stand up for what is right. Mrs Sanpher also led an assembly about the International Day of Peace, which is observed tomorrow on the 21st September.

In staff meeting time this week, teachers have been busy planning their next topic for our exciting new Design and Technology scheme, which they will start after the half term. You will receive more information from class teachers closer to half term. Design and Technology is a school subject that involves designing, making and evaluating a product which solves a problem. Through D&T, children learn how to become resourceful, innovative, enterprising and capable citizens.

On Monday, all children will participate in a British Values workshop in school and we look forward to telling you all about it next week.

#### Message from the Office

Please can all booking forms for t-shirts and tickets for Young Voices be returned by Monday. We will be placing the order early next week. Once the order has been placed, we will be unable to add anything extra to the order.

#### PTA News
