## Weekly Newsletter

23<sup>rd</sup> January 2026

### Message from Mrs Crossley

This week has been a busy week for our pupil leadership groups across school with lots exciting plans. Our Kindness Kids have teamed up with the Eco group this half term and they have been busy recycling around school and have set an eco-challenge homework where housepoints are given as rewards. Please do send in any photos or videos of this in to share!

The school council are working on this term's project of charity and have exciting plans in place which they will launch soon.

The Aberford Children's Ethos Committee have been very busy starting our project around defining what spirituality means to us here at Aberford and have completing questionnaires about this all week. Next week, they will collate the results and feed back to the school in assembly.

### Message from the Office

#### Parking and Road Safety Reminder

Over the past few months, we have been contacted by several local residents regarding driving and parking concerns around School Lane. We kindly ask parents and carers to be mindful when parking at the end of the lane and to ensure that residents' and local businesses' driveways are not blocked.

When bringing children to Breakfast Club, please park at the end of School Lane rather than driving up to the school site. Residents are experiencing difficulties accessing their driveways due to the increased volume of traffic travelling up and down the lane.

We appreciate that the vast majority of the community are considerate and drive slowly and carefully. However, when concerns are raised by residents, our responsibility is to share this information and respectfully remind everyone to drive and park with care and consideration for our local community.

Thank you for your cooperation and support.

### Attendance this week

Whole School	98.40%
Class 1	98.80%
Class 2	100%
Class 3	95.19%
Class 4	99.59%
