Message from Mrs Crossley

The highlight of my week this week was most definitely seeing Class 4 perform on stage at the Great Big Dance of this week! They were fantastic and Miss Brown and I almost shed a little tear watching them be so confident, in control and work so well as a team. We came 4th, narrowly missing out on getting to the finals in Oxford and this is the highest place we have ever reached so a massive well done to the dance crew! Next week, all children will complete internet safety workshops once again from D-Side to supplement our PSHE programme. This week, some classes have started looking at railway safety to prepare for an assembly from network Rail on keeping safe around railway tracks.

Message from the office

Thank you to all the parents who attended the parents consultation evening this week. If you could not attend, please catch up with class teachers at a mutually convenient time.

This is our second parents evening of the school year but teachers are always happy and on hand to discuss your child's progress at any time throughout the year if you make an appointment. Our next mini reports will be out to parents at Easter and our full end of year reports will be sent home at the end of July.
