Message from Mrs Crossley

Today has been a lovely day for our children, spending time at the community café and getting to see the old archive photos of our school throughout the years. Many of the children did spot familiar faces and they also loved seeing the school looking so different and finding out about different routines and expectations, such as wearing pants and vests for PE lessons! Before the end of term, our **school council** will be contacting the parish council to ask about local community issues to round off their first term's school council focus of community. Other work they have completed in auditing the school playground rules and creating new rules for the playground in order to keep our school community safe and happy.

Message from the office

Christmas will be starting in school next week with the trees going up and our first Christmas treat of watching Dick Whittington performed by Chaplin's Pantos. This will be a community event as we are also inviting children from Sunbeams and Aberford Child Care Service.

On the 17th December we will be going to church for our Christmas service and we will then be having our whole school Christmas dinner. Children can come to school in a Christmas jumper if they wish (Normal school trousers/skirts)
