Message from Mrs Crossley

Welcome back once again!

It was lovely to see children back in school today. They have all thrown themselves into their work and have been upbeat and cheerful all day! Thank you to everyone who has supported the children with home learning throughout the week.

Class 2

Class 2 have welcomed Miss Harvey in to their class today and she has made a great start. She has recently worked in an infant school and is very familiar with our schemes of work and expectations.

Ventilation

There has been lots of information on the news recently about the importance of ventilation and air circulation to help disperse aerosol particles, reducing the risk of transmitting covid 19. As we have entered this period of lockdown, Leeds have asked all schools to update our risk assessments to include increased ventilation to our classrooms, as well as 'airing them out' during break and lunchtimes. With colder weather now here, this means that at some points during the day, our classrooms may be a little bit colder than usual, particularly KS2. Because of this, pupils may wish to wear some extra layers to stay warm. This may include thermals, cardigans, fleeces, gillets or PE hoodies. We do need children to continue to wear school uniform but do not want parents to incur any extra cost to enable children to stay warm. Please try to only send in extra layers that are generally in-keeping with general school uniform or PE kits expectations, rather than everyday clothing.

Poppies

Poppies will remain on sale next Monday, Tuesday and Wednesday in school.

Children in Need

Next Friday, the 13th November, is Children in Need. Watch out for school council information regarding non-uniform.

Many thanks,

Mrs Crossley
