### Message from Mrs Crossley

#### **Bikeability**

This week, our year 6 pupils have completed their levels one and two in Bikeability, helping them to learn important road safety skills along with the general maintenance skills needed to keep their bikes in safe working order. Whilst the weather was not always kind to them, they were positive and enthusiastic throughout and the instructors commented on their mature and resilient attitudes.

#### **Parents' Evening Calls**

Telephone calls home for Parents' Evening consultations are now underway and many have already been made this week. The remainder of the calls home will be made next week.

#### **PTA AGM**

This will be held on Wednesday night at 6:30. Please contact the school office if you wish to join and would like the Zoom code and password sending to you. The meeting should only last around 40 minutes.

#### **Lunchtime Supervisor**

We currently have a position available for a lunchtime supervisor, to support children in the dining hall and to supervise play and provision in the yard during the lunch break. If you would like some more information regarding the position, please contact the school office.

Have a good weekend,

Mrs Crossley
