

**Subject: Music - carousel**

**Year: 9**

Unit 1

Composition & Performance

Learn about what makes a 'good' song (including structure).

Learn & apply methods for creating song lyrics.

Learn to develop and play a chord progression at keyboard.

Work, as part of a group, to create a song – including lyrics, melody and chord progression.

Rehearse as a band to develop and perform your song, with every member taking an individual part.

Unit 2

Listening – Romanticism

Learn about the Romantic period – gain an understanding of the main themes through key pieces of music.

Develop listening skills – how Elements of Music are used in Romantic Music.

Develop music reading skills.
