

# **HEALTH & SAFETY POLICY**

**ACADEMY @ WORDEN**

## HEALTH AND SAFETY POLICY

- **Name of School: Academy @ Worden**
- **Category of School: Academy (Secondary)**
- **School Number: 07/503**
- **School Address: Westfield Drive, Leyland, PR25 1QX**

This policy is based on the requirements of the Health and Safety at Work etc Act 1974 and associated Health and Safety and other Legislation.

The Governing Body is responsible for the use of the premises. The Head Teacher is responsible for the day-to-day implementation and management of health, safety and welfare within the school.

As the person(s) with responsibility for the implementation and management of proper health and safety controls within the school, I/we will, as far as is reasonably practicable:

- provide adequate control of the health and safety risks arising from our work activities;
- provide and maintain safe plant and equipment;
- ensure all employees are competent to do their tasks and ensure the provision of adequate training;
- maintain safe and health working conditions;
- ensure safe handling and use of substances;
- review and revise this policy and arrangements as necessary at regular intervals.
- consult with employees on matters affecting their health and safety;
- provide information, instruction and supervision for employees;
- prevent accidents and cases of work-related ill health;
- comply with appropriate directions given by the county council on health and safety requirements;

## Responsibilities

The responsibility for implementation and management of proper health and safety controls within the school is that of:	Mr A Hammersley, Headteacher
The authorised member of staff with day-to-day responsibility for ensuring this policy is put into practice is: (Health & Safety Co-ordinator):	Mrs B Monk – Head’s PA / H&S Lead Mr M Reed – Director of Business and Finance Mr M Gostelow – Site Manager All Staff
To ensure health and safety standards are maintained/improved, the following people have responsibility in their specific areas e.g. premises issues, fire safety and other emergencies, out-of-hours arrangements, educational visits	Mr M Reed – Director of Business and Finance Mr M Gostelow – Site Manager Mr A Hammersley – Head Mrs B Monk – Health & Safety Lead Mrs A Andrews – EVC Lead
The Health & Safety plans for the school (as identified by accident/incident investigation, consultation, review of risk assessments, H&S management support and audit visits; advice from the county council etc. or other sources e.g. DCSF, Teachernet, other schools, HSE) will be developed and monitored by:	Mrs B Monk – Health & Safety Lead Mr M Reed – Director of Business and Finance Mr M Gostelow – Site Manager Property Services and Governing Body.
<p>All employees within the school have a responsibility to:</p> <ol style="list-style-type: none"> <li>1. Co-operate with the Headteacher and his nominated representatives on all matters relating to health and safety;</li> <li>2. Not interfere with anything provided to safeguard their health and safety;</li> <li>3. Take reasonable care of their own health and safety, and not knowingly place anyone who may be affected by their work activities at risk; and</li> <li>4. Report all health and safety concerns to an appropriate person (as detailed in this policy statement).</li> <li>5. The Conditions of Employment of Teachers provide that teachers’ professional duties include maintaining good order and discipline among the pupils and safeguarding their health and safety both when they are authorised to be on the school premises and when they are engaged in authorised school activities elsewhere.</li> </ol>	

Health & Safety plans should be set for improvements in the management of health & safety within the school. These can be developed formally or can be informal, arising from circumstances as they occur. Actions should be documented in an appropriate way e.g. as objectives in the School Development Plan or in the minutes of Governors or Staff meetings and monitored to ensure they are achieved.

These include:

- Risk Assessments to be undertaken, re-visited and amended when circumstances change, legislation dictates or incidents occur.
- Continue to improve whole school health and safety as a result of audit visits and governor intervention.
- Develop the management and procedures of all visitors to the site.
- The addition of a routine H&S agenda item for all meetings that take place in school.

### Health and Safety Risks Arising from Work Activities

We will ensure that so far as is reasonably practicable, all areas of risk are assessed and adequate control measures are put in place to ensure the health and safety of all employees, pupils, contractors, non-employees and anyone else affected by the school's activities.

Risk assessments will be undertaken by:	Mr M Reed – Director of Business and Finance Mr M Gostelow – Site Manager Mrs B Monk– Health & Safety Lead
The significant findings of risk assessments will be reported to:	Mr A Hammersley - Headteacher
Action required to remove/control risks will be approved by:	Mr A Hammersley - Headteacher
The responsibility for ensuring the action required to reduce risks is implemented is that of:	Mr M Reed – Director of Business and Finance Mr M Gostelow – Site Manager Mrs B Monk – Health & Safety Lead
Checking that implemented actions have removed/reduced the risks is the responsibility of:	Mr M Reed – Director of Business and Finance Mr M Gostelow– Site Manager Mrs B Monk – Health & Safety Lead
Risk Assessments will be reviewed regularly (annually is recommended) or when an element of the work activity changes significantly, Risk assessments will be undertaken prior to the introduction of a new element of work activity.	Mr M Reed – Director of Business and Finance Mr A Kelly– Site Manager Mrs B Monk – Health & Safety Lead

### School's Commitment

To meet the requirements of this Policy Statement, the Head Teacher/Governing Body and/or his/her/their nominated representative(s) will:

- a) draw up and implement appropriate health & safety procedures for the school;
- b) share appropriate elements of these procedures with all employees, pupils, visitors and anyone else who may be affected by them;
- c) arrange for risk assessments to be completed for all areas of work and review them on a regular basis;
- d) as part of the risk assessment process, produce safe systems of work where necessary and arrange for their implementation including any appropriate training, resourcing, auditing and monitoring; and,
- e) identify adequate resources for the implementation of the health and safety policy and arrangements with the school.
- f) comply with appropriate directions given by the county council on health and safety requirements
- g) act in accordance with the relevant provisions in the Scheme for Financing Schools in Lancashire and the School Teachers Pay and Conditions Document”;

The school will upon request make available for general inspection specific, procedures and documentation and will regularly review its arrangements in respect of the applicable topics and activities below. (The list below is not comprehensive - some hazards may not apply to your premises and there may be additional hazards that are not listed here Please add these to the list.)
