

This week has been full of fun and celebration. We began the week exploring Diwali and traditions that children follow to celebrate the festival of light. The children enjoyed seeing lights, holding and creating paper Diya lamps, Diwali songs, videos, food tasting and smelling of Indian foods, they baked Diwali sweets (*YUMMY!*) and created beautiful textured Rangoli patterns using sand and rice.

We ventured out as part of our Local Area Geography work and identified PNE, St.Gregorys Church and Sainsbury's as places close to our school. Next week we will see what other amenities we can find near our school.

Pupils enjoyed Vestibular sessions, Foot Spas and massage, Sensory Bingo and TAC PAC as part of their sensory timetable.

We had a whole school sensory Halloween event in the hall exploring scary spiders and insects in a range of wet and dry messy play textures including ice, shaving foam, lentils, gloop, tissue paper, pumpkin innards, spaghetti, pasta and water play. ALL children had a ball. It was lovely to see!! ☺ - pictures on our website

Rugby Tots came into school again. We have just a couple of these sessions left. The children have made so much progress with their ability to focus their attention for longer, following instructions, participating with more independence and anticipating what will happen next. They have lots of fun too!

We enjoyed a sensory Story for KS1 called "Spider Sandwiches" – the children sat really well and enjoyed exploring all the yucky food the monster liked to eat from the story including 'lice rice, squiggly spider sandwiches and bug eye stew!' – pictures on our website

On Thursday afternoon we enjoyed ANOTHER Spooky Party!!! This was fab! The children were brilliant and had such a great time mixing with children from Seedlings Class. Thank you for all the kind donations, we really do appreciate it! – pictures on our website

Have a lovely weekend everyone, From the Cedar class team :D

This weeks special mention goes to ZACHARY GALPIN for being a super star and feeding HIMMSELF this week. This is FANTASTIC Zachary and we are all so very proud of you!

Star of the Week goes to Amelia for having her medication like a big girl!!

Reminders-

Please can you send in this term's snack/sensory play contribution if you haven't already done so ☺

Feel free to contact either of us on the school phone number or via our school emails. Deana – dbaker@acorns.lancs.sch.uk Sophie – smartindale@acorns.lancs.sch.uk You may wish to email photos/videos or information about

Billy Bear via email too!

Thank you to Jude's mum for sharing photographs of his half term. This is always lovely to see and share with everyone.

Spooky Week Pictures!

Happy Halloween

Not a great quality picture but Jude loved the orange spaghetti! He was laughing so much while exploring it!
