

# Pine Class Weekly News

Week beginning: 30/9/2019

## This Week

It has been a busy week. The children have been working hard and have enjoyed their lessons and activities.

We did some great 'hot-seating' role-plays on Monday. Pupils worked in pairs to ask questions and give responses in character. We imagined that we were either the hare or the tortoise from one of Aesop's Fables. Connor did some great acting!

We have been reading hard in class. Pupils will be bringing their reading books home at weekends, so if you get chance, please read together and make a note in the log.

We have had a great time learning about air resistance in science. It was fun playing with parachutes. Brooke and Safaa worked really well together. Next week we'll do an investigation into the size of parachutes and the speed they fall.

You may want to listen to this song and follow the actions.

It's about counting in tens.

The children are very good at it!
