

School council

had

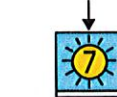

their

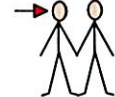

first

meeting

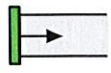

this week.

They

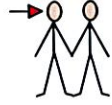

received

introductory

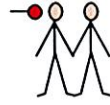

certificates.

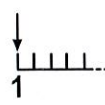

They

shared

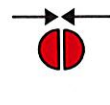

their

initial

ideas

together

and

got

very

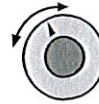

excited

at being

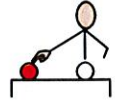

in

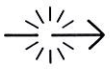

control

of things

that

happen

in school!

Safaa

created

her own

healthy

menu

with

ideas

to suggest

to the

kitchen

staff.

Pupils

want to

have

some

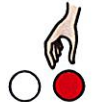

Halloween

fun

and

decided

on

some

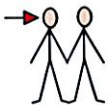

spooky

sensory

activities.

They

want

a christmas

party

and

would

like

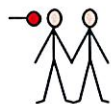

to eat

lunch

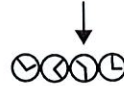

in

their

classrooms

sometimes.

A brilliant

meeting.

Well Done
