

Pine Class's Weekly News

1st February 2021

This week we have continued to explore our theme 'Under the Sea'. Next week we will be finishing this theme and exploring 'Chinese New Year'.

We have all been very busy this week.

On Monday we baked beetroot chocolate cake. We have been working really hard this term practicing different skills in the kitchen. This week we have been exploring 'chopping'. We all had a turn to chop up the beetroot before putting it into our cake.

On Tuesday we had a great vestibular session. We took turns using the swings and practiced using the different equipment. We explored using our communication aids to ask for 'more' 'again' and 'go'.

On Thursday we all tried really hard with our work. We had some very busy sessions practicing our colour sorting, counting and reading skills.

We have all been joining in sensory circuits really well this week. Lots of talking, vocalisations and eye-contact. We do sensory circuits every day but we are really starting to see a difference in all the children during this session!

We hope you have a lovely weekend

From all the Pine class team 😊
