

This week in Maple Class, the children have been settling into their new class. The children have been exploring many different rooms in the school such as: soft play, sensory room, kitchen, hall and outside, whilst exploring different activities.

Next week we will be focusing on familiarising ourselves with the class timetable and routine. SEE YOU NEXT WEEK!! 😊

Reminders!!

P.E is on Wednesday, please bring your child's P.E kit into school.

To help with cooking and messy play each week we ask that you donate £2 towards Maple class to help provide the children with lots of different first hand opportunities.

Please provide an extra pair of clothes for your child that will stay in school. We ask that you bring in waterproofs and wellies as the cold weather approaches.
