

Maple Class Blog

This week in Maple Class, the children have continued to settle into their new class. We have been working on our communication. The children have been using PECS or our communication books to ask for snack, to be pushed on the swing and in play.

Kelly is so proud of us!

Reminders!!

P.E is on Wednesday, please bring your child's P.E kit into school.

To help with cooking and messy play each week we ask that you donate £2 towards Maple class to help provide the children with lots of different first hand opportunities.

Please provide an extra pair of clothes for your child that will stay in school. We ask that you bring in waterproofs and wellies as the cold weather approaches.
