

Ash Class's Weekly News

11th February 2021

This Week.... We have been celebrating! Firstly we celebrated Chinese New year. We did a selection of different craft based activities and I can't wait to see the lantern we sent home. If you wouldn't mind sending me a video or picture I'd greatly appreciate it. We dressed up as a dragon, parading around and also made Ramen soup with soy sauce and noodles! We also celebrated valentines day and made beautiful cards for our mummy's. We looked at Shrove Tuesday and talked about pancake day and why it was important! Finally we videoed our story of the Three Little Pigs! What a jam packed last week.

Next Week...

Is half term! Have a great week off and we will see you on 22nd February

Reminders

We will be keeping the current format of part and full time schooling for some and home schooling for others until at least the 8th March unless we hear different.

Stay Safe.

And finally the star of the week is...

For super writing and amazing behaviour!!!
