

Cedar Class Weekly News

W/B 12th October 2020

This Week...

What a busy week we have had, it has been wonderful to see everyone starting to settle back in after our burst bubble

Everyone has joining in with Registration and we all very happy with the enthusiasm the class has for the songs, following the actions, singing and signing. It is also amazing to hear individual voices saying 'Good Morning' to their friends

The class are also understanding the morning activities, completing short tasks and names boards

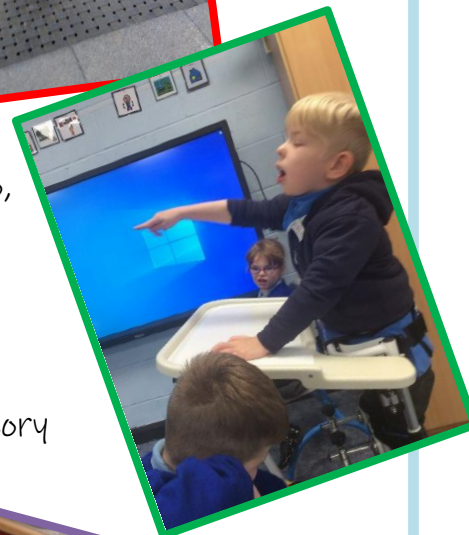

We had a fab time making 'seed bombs' mixing soils, clay and flower seeds, it was messy and lots fun!

We have enjoyed exploring fruit making fruit ice lollies, tasting and exploring mango, strawberries, blueberries and bananas.

Everyone was able to use the switch and activate the food blender

We also enjoyed our class favourite Sensory Bingo, it's fantastic to see everyone's eyes light up when they see the boxes. We smelt toothpaste, tasted BBQ sauce and looked at ourselves in a mirror

Super week from everyone, looking forward to next week

Next Week...

We shall be having some themed days for our last week before half term.

Exploring Hinduism, listening to traditional music and creating some art

We are very excited as we'll be making a class scarecrow ready for a school scarecrow walk around the school grounds

We'll also be having Halloween fun, creating art, listening to stories and having some messy play

Reminders

My email address to send photos or anything to discuss is: phughes@acorns.lancs.sch.uk

£2 Snack and Baking money is greatly appreciated and hopefully continue

Please could I ask for any home buggy's to come into school on Monday and Friday to help with Welly Walks

Thank you
