

# Cedar Class Weekly News

W/B 19<sup>th</sup> October 2020

## This Week...

We have had an amazing week exploring Hinduism and Halloween.

The class enjoyed learning about Hinduism and we watched an animation about how the world begin, according to their belief. The children watched closely at the bright colours and some children asked questions and some were able to point out the different characters.

The class had so much fun stuff and making a scarecrow, which we covered in toilet paper and turned it in to a Mummy

We all had super fun playing with the mess play activities. We had green spaghetti, black and orange rice, blue slime and red goo... so much fun!!

We have had a fantastic first half term and everyone has worked really hard. The class staff and I are super proud of everyone and filled with joy at the progress they have made so far... Well done everyone!!

## **Next Week...**

Considering all of the disruptions brought on by the current pandemic, it is time to have a well-earned break. Time to recharge and come back next half term with the same level of enthusiasm and focus.

We have lots of exciting activities planned for next half term, and will include; 'The Tiger Who Came to Tea', creating black and white patterns, exploring light and sound and lots of Christmas activities

## **Reminders**

My email address to send photos or anything to discuss is: [phughes@acorns.lancs.sch.uk](mailto:phughes@acorns.lancs.sch.uk)

£2 Snack and Baking money is greatly appreciated and hopefully continue

Please could I ask for any home buggy's to come into school on Monday and Friday to help with Welly Walks

Thank you
