

Cedar Class Weekly News

W/B 30th November 2020

This Week...

We've had an amazing week and was so good to all be back together fully again

We are now starting to fully embrace the Christmas spirit we've had some Christmas stories including a festive cold version of 'We're going on a Polar Bear hunt', everyone had a great time exploring; cold water, ice, echo

tones for the cave, lots of fun had

The class have been a great help this week with cleaning up the leaves on the trampoline and forest areas. There was some fun with the leaves too!

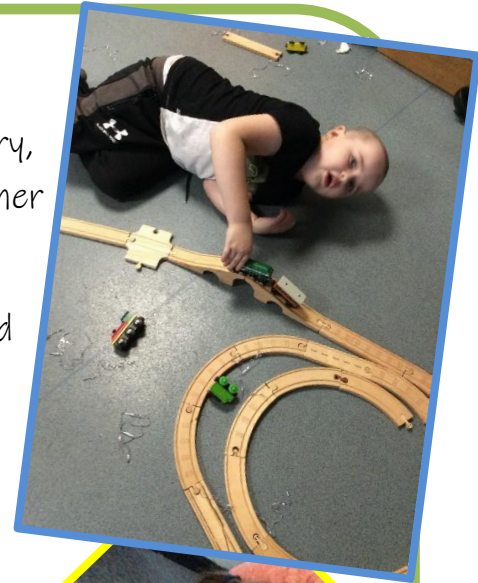

The whole class have loved watching themselves on the screen, we have watched Christmas video several times now and hope that you all enjoy it as much as we have

Next Week...

We shall be joining other GLD school to share a Sensory Story, it will be a really good opportunity for our children to see other children and to have a shared experience

We will be continuing with our festive fun with more Art and Food activities

Reminders

My email address to send photos or anything to discuss is: phughes@acorns.lancs.sch.uk

Friday 11th December is Christmas Jumper Day!

Thank you

I am star of the week because I have used the toilet on my own in school
