**Maple: Bilal**

**Pine: Jude**

**Willow: Announced in class**

**Ash: Lottie**

**Oak: Abdul**

# Willow Class News

We have been working hard this week and have been enjoying our topic 'Fun at the Fair' Here are a few of the activities we have been doing:

- We read and explored the story 'Peppa Pig Fun at the Fair' and have created lots of art for our class display
- We work hard every morning with our activities, practicing writing and ordering our names, ordering the days of the week, and developing our fine motor skills
- PE has been great fun! We've been working hard on our throwing under arm skills
- We have been developing our friendships with new classmates, learning how we help each other by making them feel better
- Pupils had a great time hunting for conkers around Moor Park to be used in our Forest School area
- I have been super proud of how the whole class have behaved amazing during our
- weekly Sainsbury's visit to buy ingredients for Cooking and to stock up on class snack

What a great time we've had together. We look forward to doing lots more work, activities, and community visits - having lots of fun along the way!

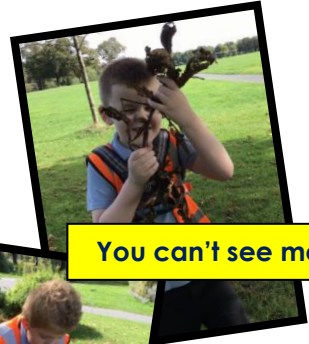

Hard at Work

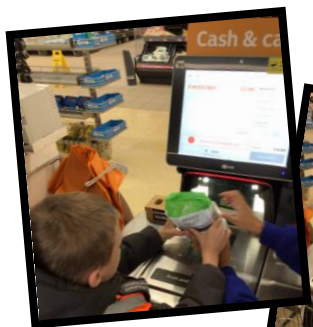

My turn next!

Working and playing hard...

You can't see me

That's the shopping done

1, 2, 3, conkers
