

30th September 2022

Hi everyone!

I hope anyone who managed to pop in for the “drop in” on Wednesday found it useful.

Please can we ask that any information you want to pass to us if passed via taking tiles, emails or phone calls. We are having more information passed through transport and this proves very difficult.

We are collecting for harvest, if you have any packets, tins and non-perishables you can donate we would be really grateful. We realise times are very challenging at the moment and any little bit of help we can offer to others is amazing.

Have a great weekend

Paula

Dates for the diary

Walk and talk : 10th October

Please look out for your Annual Review date too.

Value of the term is welcoming

Star of the Week

Seedlings: Layla-Leigh

Cedar: Lincoln

Elm: Brooke

Maple: Ellie

Pine: Riley

Willow: Mack

Ash: Amelia

Oak: Kai

Woodlands: Minahil and Evie

Pine Class News

What a fabulous week we have had! We have all been settling in well these past couple of weeks.

We have been busy cooking in the kitchen and have made some fabulous cakes. We have been following instructions and have been waiting patiently for our turn.

This week we have also been working very hard at our workstations. We are learning to become more independent learners so we can transfer the skills to lots of new activities.

We have also been exploring our sensory story ... Night Monkey, Day Monkey. We find the puppets hilarious in the story and have been using the switches to turn the fireflies on and off.

On Thursdays and Fridays, we have also been out in the community. This week we have been doing 'welly walks' around Moor Park. We have all been walking fantastically around the park holding hands.
