

Pine Class News

This Week...

We've had so much fun exploring new things in our circle time this week and have really been working hard to focusing our attention.

On Monday we baked flapjack in the cookery room where we practiced our skills at following step by step instructions and weighing out the ingredients. We all made choices to add our own ingredients and once again loved tasting the finished products. We are getting really good at being safe in the kitchen and our independence skills in the kitchen are definitely improving. Mary Berry watch out!

Some of us have been working on our numbers this week and working hard to count and order them. Beth has been working especially hard to order her numbers this week and even when she found it tricky she kept trying hard which was amazing to see 😊

The Sensory Train stopped by on Thursday for us to explore – it was so much fun and we cant wait for it to come back again!!

We have started exploring the Harvest Festival and Autumn in topic this week and have used leaves from trees around us print pictures with our autumn-coloured paints. We really enjoyed this and got very messy!!

We hope you all have a lovely weekend!

★
Our star of the week is...

Arthur

For working hard with his communication skills and travelling over 2metres to exchange his PECS pictures!

Reminders...

Snack and cooking money is **£2 per week**. Please remember to send this in weekly as it pays for the snacks and sensory play resources 😊

Look what we've been up to this week...
