

# Pine Class News

## This Week...

We had so much fun exploring our new Trim Trail this week and we the most out of the good weather whilst it lasted with lots of outside play and a walk out in the community which we all did brilliantly with!

This week's cookery lesson found us making chocolate chip muffins – Yum yum! Our cookery skills are really starting to develop and we are working on our independence skills. Some of us are beginning to follow step by step recipe instructions with staff support whilst the rest of us have had fun exploring the ingredients and tasting the results!

We did so well in our music lesson this week. We have been learning to choose different instruments and to follow the instructions “stop and play” with lots of great attention and engagement from all the class.

Our counting skills have been really worked hard this week. It is so tricky but we are making progress!

We have been continuing to look at autumn for our creative and theme sessions this week. We chose paint colours using our preferred communication systems and then had messy fun using our fingers to paint our very own autumn trees. We also started to make some sun catchers to explore colour and light.

Hope you all have a lovely weekend!

★  
Our star of the week is...

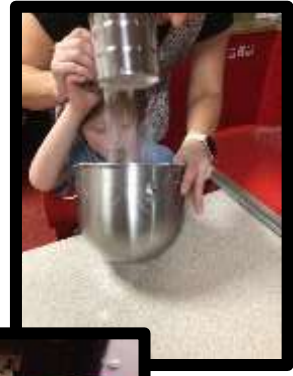

Riley

For doing fantastic on his community walks and for working hard both at the table and his workstation this week.

## Reminders...

Snack and cooking money is **£2 per week**. Please remember to send this in weekly as it pays for the snacks and sensory play resources 😊

Look what we've been up to this week...
