

# Pine Class News

## This Week...

We have found it hard to get out and about in the community this week due to the weather taking a turn for the worse however we've had lots of fun in class and have still managed to get out to play suited and booted in our waterproofs.

We've enjoyed our weekly slot in the kitchen this week perfecting our biscuit making skills and independence when cooking. Some of us are becoming more independent with following the sequence to bake and some of us are starting to learn how to clean up after ourselves and to put things away.

We have loved our sensory sessions this week and have had fun exploring all the props. We especially love our new sensory bingo - especially when we get to explore the sensation of taste!

We have created our own hedgehog pictures in our creative session this week, been exploring Judaism in RE and had lots of fun engaging with our Attention Autism sessions especially the messy stage 2 activities.

Our communication and requesting skills are coming along fantastically - Particularly at snack time where we can now definitely all ask for our snack of choice!

Full time school has been tricky and tiring for some of us these last couple of weeks, but Pine Class staff want you to know how proud we are of you all!

Have a great weekend! 😊

★  
Our star of the week is...

Noah

For fantastic engagement and interaction in his sensory sessions this week!

## Reminders...

Snack and cooking money is **£2 per week**. Please remember to send this in weekly as it pays for the snacks and sensory play resources. Can we please ask you to put names in or on clothing/personal belongings so we can make sure it all gets back to the right children ☺

Look what we've been up to this week...
