

## Elm Class weekly news – 16.5.22 - 20.5.22

Elm class have been busy working on their IEP targets at their work stations, they have been working hard with their communication as always and enjoyed lots of Seaside themed activities throughout the week. The children have made sandcastle pictures, counted seaside objects, worked on their letter formation and phonics sounds. They have practiced their fine motor skills, sensory exploration, regulation activities, nursery rhymes and counting songs. We have enjoyed P.E activities as well as Rugby tots! We managed a visit to Sainsburys and had fun with the foot spas! The children have all been working on sharing and turn taking and had lots of fun during role play activities exploring Seaside props!

We hope you all have a wonderful weekend! We are very much looking forward to our Jubilee celebrations next week. We have lots of class activities planned and our school parade on Friday! We cannot believe that it will then be half term. Where does the time go?!

Best wishes from The Elm Team 😊
