

Elm Class weekly news – 27.6.22 – 1.7.22

Such super work from the children this week. They really have been working so very hard on their targets. It is so lovely to see how far they have all come and how proud they are of their own achievements! 😊

Working
very hard!

The children have really impressed us this week with their music skills! Playing along to the time and rhythm of the music SO well. Listening, participating, turn taking very well indeed! We are also particularly impressed with playing skills we have seen this week. Dressing skills and lovely vocabulary! We are very proud of their progress in Rugby Tots and their behaviours in Sainsburys. Along with all of this, you can see from the pictures above how hard they have been working on their targets and how well they are working independently at their workstations. Little superstars!

As always we kindly ask for a donation towards snack and messy play/sensory activities if at all possible please. Thankyou to those who have contributed. It is greatly appreciated 😊

We hope you all have a wonderful weekend!

Best Wishes from The Elm Team 😊
