We want to keep you and your families as safe as possible

If you or a member of your household has a high temperature, a new onset cough, or any other symptoms, please refer to the NHS website <https://111.nhs.uk/> for further advice. Please see attached flyer for more details.

Appointments for patients under our care

We will continue to offer appointments, both initial appointments and follow up appointments. However, all appointments will now be by telephone where possible. Children, young people and their parents or carers, will ONLY be seen in clinic if the consultant determines it '**necessary**'. If you have any concerns, please contact the appropriate clinic to discuss further.

Prescriptions

If your child receives prescriptions for specific medication from us: We can assure you plans are being made to ensure repeat prescription of medications can be continued. However, 10 working days' notice is required for all repeat prescriptions.
