This week has been rather Christmassy! The children are coping really well with the extra activities in their timetable. They really enjoyed the choir visit on Monday, what a treat for us all – it felt very festive!

They have enjoyed lots of sensory play – learning what clothes to wear when its icy and cold outside, they enjoyed dressing up and playing with ice and pretend snow! Let's hope we get some real snow for us all to have fun in!!

We had lots of fun with food this week – exploring beans, custard and feeling & tasting marshmallows. The children then made yummy chocolate reindeers!

We have continued to keep to normal routines as much a possible and the children have continued to work super hard on their IEPs and in all sessions.

Our star this week goes to Penny – for wonderful communication and participation!! She is doing super and has made so much progress this term. We are all VERY proud of her!!

The children have enjoyed lots of Christmas arts and crafts this week and we have made a start on our Christmas cards!

We have been super with our Sensory story (Dear Santa) and all the children are joining in well with this, they love opening the presents to see what's inside and Brooke was even able to tell us (using a communication board) what object came next – clever girl! I think everyone's favourite present is the accordion!

We have also been listening to Christmas songs and shared the Christmas story this week too!

Have a fabulous weekend

From all of the Elm Class Team 😊

Fun with food! –  
Christmas style!!
