

# Elm Class Weekly News –27.9.21- 1.10.21

Another fun filled week in Elm class this week. We are so proud of how well the children are doing. Lots of fabulous communication!!!

Wonderful progress with independent dressing skills week!

Lots of interactions with friends 😊

Doctors Role Play!

Outdoor exploring and fun! 😊

Attention Autism - Egg splat

## REMINDERS-

Thank you to those who have sent in money for class, if you haven't yet done so please can we ask for a contribution. We kindly ask for £2 per half term from each child. This not only pays for snacks but also the messy play resources we need to replenish each week. As you can imagine this can be quite costly so we would very much appreciate the donation towards this. Remember that school photos are being taken on Monday!!

Feel free to contact either of us on the school phone number/school email and one of us will get back to you ASAP.

This is our new class email [elm@dacorns.lancs.sch.uk](mailto:elm@dacorns.lancs.sch.uk) please use this for correspondence to ensure

Another fantastic week in Elm class. We are just so proud of how well the children are doing!  
They are such little stars; really trying hard and giving it their all! 😊

This week we have enjoyed two attention Autism sessions – The first one was an egg splat!  
The children were amazing. Just soooo engaged. It's wonderful to see 😊 The second was rainbow themed as we've seen lots of them this week with the weather.

We have not let the dreadful weather deter us from enjoying the outdoors. Thank you to all who sent in waterproof clothing. We enjoyed lots of outdoor provision this week; practicing our physical targets. We used the rain to make mud paint! We used a range of tools to practice our mark making skills on a large scale using our mud paint.

This weeks fun with food was Pizza topping tasting! We used our senses dice to determine which sense to use! We talked about the texture of foods, the smell, their colours also then some children enjoyed tasting. Particularly Cole with the cheese! We then played with pizza dough; rolling and cutting it. We decorated little pizza bases by 'spreading' tomato sauce and 'sprinkling' cheese. YUMMY!

There was yet more deliciousness when making fruit smoothies! The children were fantastic using the switch to operate the blender. The children really enjoyed cutting the strawberries and followed instructions well 😊

The children particularly enjoyed a Doctors role play this week. There were some lovely interactions where they were taking care of each other and helping them to feel better. It was very sweet. Peer interactions continued with a Fish game that deemed popular 😊

We revisited a firm favourite of 'We're going on a bear hunt' to explore a range of textures, repetition of familiar phrases and to have fun exploring the sensory activities.

Yet again just fantastic efforts with dressing skills within P.E! This is super!!!

Have a lovely weekend

From all of the Elm Class Team 😊
