

Elm Class Weekly News – 11.10.21- 15.10.21

Another wonderful week filled with lots of fun learning opportunities!

Exploring Autumnal objects!

Excellent work on Independence skills!

We have all enjoyed yet another lovely week in Elm class! We can't believe we finish for half term next week! Time flies when you're having fun!

The children are continuing to amaze us with how great they are doing!

Thank you to those who came to the Macmillan coffee afternoon. We hope you enjoyed it! It was lovely having everyone back through the doors again 😊

We created our own version of The Leaf hunt and went on an adventure! We climbed over our mountain, walked through the leafy forest and sat in our very own little boat to go across the Lake. The children were super!

We continue to see absolutely wonderful concentration and focus during attention autism sessions. The children are really enjoying the sessions. The hairdryer was particularly popular this week.

The children have had lots of fun exploring number through a range of activities. They have counted pine cones, leaves, twigs and conkers! Lots of fun was had 'splatting' 5 little men in flying saucers!

The children were super in P.E and were fabulous transitioning from the hall to the classroom with very little prompting!! This is absolutely brilliant!

We hope you have a lovely weekend! From all of us in Elm 😊

Wonderful communication
