

We hope you all had a lovely long weekend, it certainly looks like you have from all the lovely pictures and videos we have seen. Thank you for sending them to us!

At the Dentist!

The children had lots of fun learning about how to take good care of your teeth

Look how hard we are working!

Busy bees in Elm Class!

### REMINDERS-

Thank you so much for all the lovely pictures and videos you send us, we look seeing what the children get up to at the weekends. They all look so happy!

Lots of bugs going around at the moment, just a reminder that if your child is not well please do keep them at home if possible. Sometimes just a but of a rest can make all the difference.

Hats, gloves and warm coats please now the weather has got a little colder 😊

The class email [elm@dacorns.lancs.sch.uk](mailto:elm@dacorns.lancs.sch.uk) please use this for correspondence to ensure neither of us miss messages and we can ensure good communication via home & school.

This week the children have enjoyed being back at school. They did some wonderful joining in with our "Visit to the Dentist" session. We role played going to see the dentist and talked about how to look after your teeth, some children sorted things that are good or bad for teeth. We also did some super brushing!! Fun and learning!

This week the pictures are focussed around the early morning sessions each day, as you can see all the children work very hard on specific targets and we have seen some remarkable improvements since September!! The children are happy and keen to 'work' the rise to the challenges set and try hard everyday!

Our star this week has been awarded to Gracie for such wonderful participation in our RE session, Music and Movement, PE and our Dentist session. She is always so enthusiastic and has such a positive effect on her classmates, often encouraging and involving them in her activities! This term the star of the week is linked to our school value of "positivity"

On Wednesday afternoon some of the children learnt about the Jewish celebration of Hanukkah - we listened to songs, stories, danced, tasted special food, dressed up and looked at special artefacts including the Menorah candle. The children loved saying hello to the Rabi Puppet! We made a Menorah candle for our display

The children are also making huge progress with their dressing skills, they are remembering to ask for help when needed too which is just as important!

Communication has been wonderful this week - lots of speech, sounds, interacting and requesting going on! Brooke managed to travel to exchange a symbol this week, Penny is now exchanging without support to request something she wants in all different situations, Junior is using full sentences to request with the aid of his book and Mack is doing 3 step communications using his book.

Have a fabulous weekend

Hannakah - RE
