

Dear Parent/Carer,

At Acorns Primary we are always thinking about how we can keep our pupils and their siblings safe online, due to our current situation, we are using the internet more and more and is vital to keep update with security advice.

It is important that we get the message to our pupils about the importance of being safe online and thinking about what information we can rely on. We shall be using a selection of stories to read to encourage discussion and help characters make the right decision.

Please find attached the 'Digi Duck' and 'Smartie the Penguin' from the Childnet website, there is also a 'Detective Duck' video, that can be found using this link.
