

COVID Update

Please be aware that we are continuing to test staff twice a week so bubbles can still be closed at a very short notice. We thank you for your cooperation with this, we fully understand how difficult it is if pupils are unable to attend school.

Staff are due to receive their 2nd COVID vaccinations at the end of April!

If you're a member of a household, childcare bubble or support bubble of staff or a pupil, you can get a twice weekly COVID tests. For more information go to...
