

5th May 2023

Hi everyone,

We have had a fantastic day!

Thank you for all your donations of treats for our picnic. We enjoyed a lovely parade and then a picnic in the hall together.

Have a lovely weekend.

Paula

Dates for your Diary

Non Uniform Day

12th May

Walk & Talk

12th May

Our value of the term is:

Star Of the Week

Woodlands: Minahil

Seedlings: Ava

Cedar: Daisy-Mai

Elm: Zak

Willow: Junior

Pine: Bethany

Maple: Bilal

Ash: Khane

Oak: Hendrix

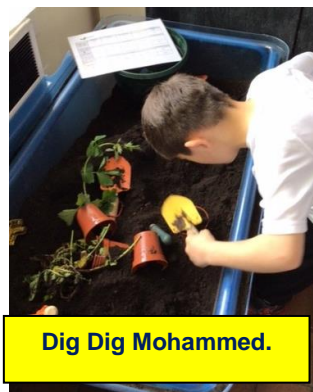

Ash Class News

What a fabulous Summer term we are having. This term we are looking at the story of 'The Enormous Turnip',

- In class, we have a sensory story that includes lots of different references to things that grow. We also have to pull a rope to feel how hard it was to pull the turnip out of the ground.
- We have started to learn the story and we hope to be able to re-tell the story and film it in front of a green screen. Some children will change parts of the story and create their own version of The Enormous turnip, so watch this space.
- In My World, we have been looking at the structure of Plants and we have started to be able to name or point to the different parts of a plant. We have also been learning the different names of garden tools.
- This term, we have the opportunity to dig up a raised bed in school and we will be planting lots of different flowers and vegetables. So, if you have any spare plants, please donate them.
- We have also been celebrating the coronation of the king. We celebrated by creating flags and crown and having a massive parade.
- In maths, we have been looking at volume and capacity these past weeks, filling to a line, reading scales and being able to use the correct words when talking about volume.
- In PE, we have been practicing batting and fielding. Catching can be quite hard so let's see what happens when we learn quick cricket.
- Finally, in My Creativity we have been looking at Andy Goldsworthy. We are exploring his work and we hope to find natural materials and copy some of his art works using the things we found.
