

Friday, 19 May 2023

Hi everyone,

Thank you for all of the wonderful chocolate donations today!

What a great week ,check out our facebook page to see some wonderful work by our amazing pupils.

Enjoy the sunshine this weekend

Have a lovely weekend.

Paula

Our value of the term is:

Star Of the Week

Woodlands: Habibah
Seedlings: Layla-Leigh
Cedar: Isabelle
Elm: Brooke
Willow: Muhammad
Pine: Hashim
Maple: Aaron
Ash: Lottie
Oak: Brandon

Willow Class News

What a busy term we've had so far, we've been enjoying our Minibeast Topic, and had fun exploring our Superworm story.

- We retold the Superworm story and explored the insects in the story. We have been creative and made a display board of all our amazing art work
- We celebrated the King's Coronation, creating flags, a collage of the king, and paraded around the school yard
- We created some wonderful treats for class; cupcakes, honey biscuits, edible worm farm, and ladybird short bread
- In PE, we were having adventures outside, using our Superworm story as inspiration, becoming Superworm, tunnelling through the soil, being strong and throwing, skipping over a rope, and moving around the space like a wiggly worm
- Our biggest celebration this term so far is being voted 'Class of the Month' by the school Well-Being team

Chef Junior has been hard at work creating beautiful treats for the class

Cole is focusing on creating the perfect collage for the King's Coronation

Mack is being a super friend during Assembly, cheering for all of the Stars of the Week

Super Stanley is showing off his catching skills

Kyle is being super brave exploring the outdoor area

Millie is working hard counting and identifying quantities

Oliver is fully concentrating on his 1:1 correspondence and doing super work

Look at super Gracie practicing her letter formation

Muhammad enjoyed exploring our new outdoor equipment
