

2nd December 2022

Thank you to all who attended "Chocolate Bingo" we raised £196 😊

On Fridays we have our star of the week assembly. The pupils have worked hard to transition, to sit and listen, to join in and also to celebrate each other's achievements. This work started in September and the pupils have made so much progress. Today they sat for our usual star of the week celebrations but also watched as each class decorated the tree. I'm so proud of everyone... Well done!

Our Christmas tree is up, and each pupil has made a decoration to hang. The tree looks beautiful!

We are really looking forward to welcoming you all to the performances next week. Please let us know if you are planning to attend as soon as possible.

Have a lovely weekend

Paula

Willow Class News

We have been working hard this week and have been getting into the Christmas spirit and enjoying our story 'Cave Baby'. Here are a few of the activities we have been doing:

- We read and explored the story 'Cave Baby'. We visited Moor Park to create 'cave paintings' in the park Grotto
- We work hard every morning with our activities, practicing writing and ordering our names, ordering the days of the week, and developing our fine motor skills
- PE has been great fun! We've done relaxing yoga and we've worked on our balance, walking on beams and stepping stones
- We have been looking at how we care for each other, making sure our friends are ok, asking if they need help, offering hugs to cheers each other up, or offering a tissue if they feel ill
- I have been super proud of how the whole class as we've created our Christmas Video, it has been requested 100 times already so I'm glad they like watching themselves on the big screen

What a great time we've had together. We look forward to doing lots more work, activities, and community visits - having lots of fun along the way!
