

Pine Class's Weekly News

8th February 2021

This week we have finished our 'Under the Sea' theme. We have had a great time learning all about the different animals you can find under the sea. We have also had a very busy week celebrating Chinese New Year and Pancake Day.

On Monday we had a fantastic time in the sensory room listening to and exploring our sensory story all about Chinese New Year. We read the book 'Lanterns and Firecrackers' and explored lots of different sensory activities – we weren't very keen on the Chinese food.

On Tuesday we had a great PE session. We all practiced our throwing skills. We explored lots of different throwing activities and have practiced throwing to a target.

On Wednesday we celebrated Pancake Day. We made some pancake batter and chose our own toppings. We loved the different toppings but weren't very keen on the pancakes!

On Thursday we all worked really hard during our sensory circuits and completed lots of work at the table and workstation. We are all trying really hard with our own communication!

We hope you have a lovely half term.

From all the Pine class team 😊
