

This week...

Happy New Year!!!

We hope you a wonderful Christmas and a lovely new year. We all had a good break. It has been lovely to come back into school and see all the children. They have all appeared happy to be back in school and nursery and are settling back in nicely.

We have started our new topic on colour and we are learning about Elmer the elephant.

We have been talking about elephants and the colours that they are. We have looked at elephants and discussed what they look like.
