

Woodland Class's Weekly News

W/B 1st February 2021

It is February already! January felt like a very long month, but it also went by quickly!

We've been finishing off our UV and colour topic, exploring lots of objects that glow under UV light, colour stories, colour contact dance, massage stories and our 'WOW said the owl' sensory story.

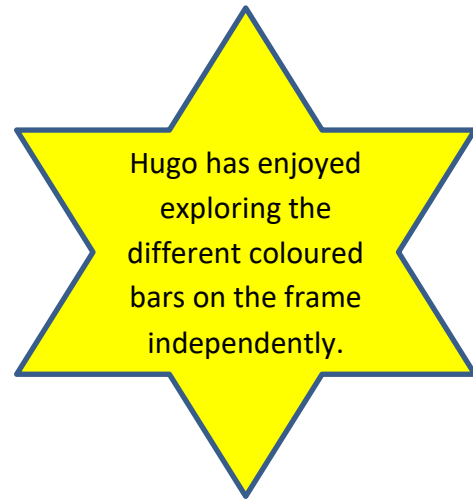

We will be finishing our topic next week ready for 'down in the woods' after half term. We are also celebrating Chinese New Year next week. We are sending home packs so that you can work on this at home too. We shared this during our Zoom session on Friday.

Please keep the photos from home coming, we love to see them!

Thank you for all the photos we have received from home. If you complete any home learning at home, it would be lovely to see photographs of the children. Please email them to me jmiller@acorns.lancs.sch.uk

We will have a class zoom session on Friday 12th February at 10:30. I will send details out next week.

And finally... well done to Habibah for being our star of the week. Over the past few weeks, Habibah has been walking while holding onto staff members hands! WOW!

Hugo has enjoyed exploring the different coloured bars on the frame independently.

Myles watched the butterflies intently during our sensory session.

Rory loves watching the umbrella!

Luca is kicking the bells and chimes to make a sound! He shouts every time he hears them!

Hugo loves the umbrella too!

Zuzanna enjoyed making the rabbit move every time she pressed the switch.
