

Oak Class Weekly News

This Week (Week beginning: 01/03/2021)

We have been working on our story writing techniques this week. The children were great at choosing characters and thinking of their own mystery stories. They used story plans to practise saying their work out loud. It was great to see the finished products. Brooke and Jenson decided to type their work on the computer - well done.

In maths, we have continued to practise our weighing skills. The children are getting better at reading scales and enjoyed the practical work that we did on mass.

It was World Book Day on Thursday. The children really enjoyed judging the doors of other classes - classroom doors had been decorated in the style of different books. Oak and Seedlings both won! Our door was decorated in the style of the Jurassic Park children's book. Later, we read some of 'The Twits' by Roald Dahl. The children enjoyed listening to the description of Mr Twit's horrible beard. We recreated his beard with paint and real food and wrote a description. Lucy-Anne tried really hard and enjoyed squashing all the food into her work! We also listened to some of the governors telling stories on the screen.

Next Week...

Next week we will back in school every day. Please remember that if you drop off and pick your children up, the times for Oak Class are 8.30am to 2.30pm. If your child comes on transport, they will follow the normal school day. Please let us know if you have any questions, or if your child is struggling to readjust. It may take a while for the children to settle back in to normal routines.

Reminders

If you need to get into contact, please use this email address:

cworsley@acorns.lancs.sch.uk

Many thanks.

And Finally...

Star of the Week

Jayden

for
accepting change and for some really
focused World Book Day work

Well done!

St David's Day -
trying Welsh Cakes
and exploring items

Using scales

World Book Day
activities
