

# Oak Class Weekly News

Week Beginning 01/11/21

## This Week

Although the weather and light has changed, it has been a great first week back.

Some highlights:

Our Halloween Hunt on Monday was brilliant! The children really enjoyed going around school and looking at all the decorated doors. They picked their favourite and the winner was announced in School Council.

The pupils worked hard on writing their holiday news earlier in the week. There has been some real progress in how they recount news orally before putting it down on paper. Luke's was particularly impressive.

The pupils have been playing the song 'Happy' on glockenspiels. It has been lovely to see the children playing in unison.

We have been exercising lots - PE skills, dancing, using the bikes and navigating the trim trail. It's great that the children are keeping active.

On Thursday, the children learned all about the Hindu festival of Diwali. They made some Diya lamps and had fun painting firework patterns.

Walks in the park and trips to Sainsbury's have gone well. It has been great to see the children practising their functional skills in real settings.

## Next Week

Trips to the park and Sainsbury's will continue as normal.

On Wednesday, we will visit a different local park to do some science and nature work. Look out for letters in bags.

## Reminders

Please label all items of clothing clearly with your child's name.

Please send in PE kits and outdoor learning kits (wellies, waterproof coat and trousers) to be kept in school. Please send in a plastic bag with all items clearly labelled.

PLEASE BE ALERT TO ANY COVID SYMPTOMS OR GENERAL ILLNESS AND DO NOT SEND PUPILS TO SCHOOL IF UNWELL - CONTACT US FOR ADVICE
