

Willow Class News

This Week...

Last week was a busy one! Apologies for the late blog post, we were all having too much fun!

In Geography this week we went into Preston City centre to take photos in front of the Harris Museum, Preston Bus Station and Preston Cenotaph. The children enjoyed being out in the community and everyone was so well behaved.

On Wednesday we ventured outside to the Willow Classroom to create our very own nest sculptures out of mud, leaves and twigs. Everyone enjoyed finding natural resources for their nests and getting very muddy! They all turned out great!

On Thursday in our Cookery lesson we made Parkin. Everyone did a fantastic job weighing out the ingredients, stirring the mixture and most importantly sampling their hard work... it SO was yummy!

On Friday we did a bonfire night themed Attention Autism. Everyone enjoyed looking at the different flashing lights and creating their own bonfire night sky artwork using spikey balls. It was lots of messy fun!

And finally...

Star of the Week goes to...

Viren for great participation in our French lesson! Well done Viren!

Reminders...

Friday 13th November 2020 - Wear **bright** or **spotty** clothing for 'Children in Need' - Small donation/loose change to be sent in please. Thank you in advance 😊

Friday 20th and Monday 23rd November 2020 - INSET DAYS - School **CLOSED** for pupils.

Look what we've been up to this week...
