

Woodland Class's Weekly News

W/B 2nd November 2020

We had a great day on Monday celebrating a 'spooky day.' Everyone dressed up, including staff and looked fab. We played with jelly, worms, coloured spaghetti and rice. We listened to spooky music and took part in a spooky sensory session. It was a lot of fun.

We have been immersed into our new topic, Witches and Wizards. Our new sensory corner is set up and we've explored lots of different objects. We had a witches and wizards contact dance session, 'where's the witch' sensory story and a witch massage story.

The children who were in school on Bonfire night really enjoyed our celebrations. We watched fireworks, took part in a sensory session exploring lights, smells, tastes and party poppers at the end! Everyone got wet when we 'put the fire out!'

Next week we will be celebrating Diwali in school.

Please let us know if you need anything else with the home learning packs we sent home. We will send a Christmas sensory session pack for next week.

Everyone should have been informed about when you are in school next week. Please let us know if you have any questions.

And Finally... Well done to Hugo for being our star of the week. Hugo was amazing during musical interaction. He recognised the ukulele straight away and started to get excited! He then made lots of noise throughout the session!
