

Oak Class Weekly News

Week beginning 03.05.22

This Week

We hope that you enjoyed your bank holiday. In school, we have had a short, but busy week!

We enjoyed going to see the lifeboat station in St. Anne's, and a ride on a tram on Thursday. The children engaged really well. Brandon asked some great questions.

In PE, we have continued to practise our athletics skills through activities linked to service. The children really enjoyed aiming their firefighter's hose at the target!

In DT, we have been making healthy superhero sandwiches. We have also been making road maps ready to position different buildings such as fire stations, hospitals and supermarkets. The children have worked hard on their cutting, sticking and designing skills.

You may have met our trainee Eve. She is with us for a block of eight weeks. She has formed really positive relationships with our pupils, and will be teaching some lessons over the next few weeks. We wish her a warm welcome.

Next Week:

We will continue working on our new topic.

On Thursday and Friday we will continue with our normal park and supermarket visit.

On Friday 13th May, children may wear their own clothes in return for a chocolate donations for our Summer Fayre.
