

Woodland Class's Weekly News

W/B 4th January 2021

Happy New Year! This week has been crazy and we just want to say a massive thank you for all of your support. We couldn't have got through this week without your ongoing support.

We've had days off, cold days, Zoom sessions and now home learning. It really has been a whirlwind week.

We have started out 'to infinity and beyond' topic. We decided to focus on colour, UV and glow in the dark! We've started sensory stories, both in home and at school and explored our 'colour' contact dance.

Staff have worked together to create home learning packs which will all be sent out during the next week. Please contact us if you need any further support with this, or more resources!

If you complete any home learning at home, it would be lovely to see photographs of the children. Please email them to me jmiller@acorns.lancs.sch.uk

Zoom meeting next Friday at 10:30. I have sent out the codes and will resend on Thursday.

And finally... Well done to Habibah for being our star of the week. Not only has Habibah stood up holding only one hand for support, she started to take steps!
Amazing!

Hugo had fun
with the fibre
optics!

Rory exploring
the sensory train
tunnel!

The work in
progress!
