

# Ash Class's Weekly News

3<sup>rd</sup> March 2022

## This Week....

What Space filled week we have had. This week we started out by learning all about money we all were able to count how many pennies were in the jar and some children even went on to having a variety of coins to find the total. This is super learning. On Tuesday we went on our visit to Liverpool, and we had such a fantastic time in the planetarium. We got to have a real good look around the museum as well seeing the aquarium, some dinosaur fossils and even some unusual animals. On Thursday we had world book day and had lots of activities centred around books and we really enjoyed our visit to see Archie. On Friday we had more music in helping us sing alongside Woodlands class in preparation for our song to be released. We did lots of crafts about weather.

What a fantastic week we have had!

## Next Week...

we will be looking at light and dark and we will be trying to understand the difference between transparent and opaque.

## Reminders

Snack fund for next term will be £12 as it's a 6 week term. This is vitally important to help support cooking, messy play and snack time.

And finally, the star of the week is... Ethan

...for fantastic effort whilst in his new walking frame. Keep it up!
