

Woodland Class's Weekly News

W/B 5th July 2021

We can't believe it is nearly the end of the school year, just one week to go. We have been finishing off our Australia topic this week, enjoying the beach stories, visiting Australia with Theodore the teddy and exploring our sensory corner.

This week has been maths week. We have spent every afternoon outside taking part in outdoor learning. We have been using hammers and banging a rhythm, squashing patterns of flowers and herbs into fabric to make bunting. It has smelled amazing! We have explored lots of natural objects, looking at how light shines on objects and using our hands to explore things found in the ground!

Next week is sport's week, with lots of activities planned throughout the week. Monday will be our beach party, Tuesday will be vestibular and wheelchair dance followed by dancing on the playground, Wednesday will be sports day games on the playground and Friday we have wheelchair dance in the hall! It will be very busy, and we can't wait!!!

Woodlands Beach party on Monday – bring in your swimwear, towel and spare clothes!

Don't forget that we finish at 1:10 next Friday for summer!

And finally... well done to Zuzanna for being our star of the week. Zuzanna loved making bunting for maths week, banging using a hammer to make bunting out of flowers!

Outdoor
learning for
maths week!
