

Woodland Class's Weekly News

W/B 6th September 2021

It has been so lovely to all be back in school together again. Everyone has settled in really well and enjoyed getting stuck into our new topic!

We made the most of the sunny weather and had paddling pools, water play and lots of time in our shaded outdoor area. There was lots of smiles and laughter!

Our new topic is 'pole to pole.' We have started our new sensory stories 'snow dream' and 'the girl who went to the Arctic.' We have all enjoyed our Arctic animal contact dance and a hot and cold massage story.

This term we have also been able to start sensory drama again. The children have loved being back in the sensory room, working with children from other classes and seeing 'Archie' the puppet again!

We have had visits from physios this week checking equipment and we have more visits from physios and OTs planned over the next few weeks. Everyone is growing and changing!

School photos will be taken on Monday 4th October

Thank you for the class contributions, we appreciate anything being sent in.

We are so proud of everyone this week and how well everyone has settled back into the school routine. We are celebrating by giving everyone star of the week this week!

We are all
happy to be
back in school!

We have all
enjoyed outdoor
learning this
week!
