Wow! What a great first week back!! It has been so lovely to see all the children and I think they were all very happy to be back in school too. Lots of smiles and laughter!

We have been busy little bees getting back into the routines and playing hard exploring our new classroom. We have started our new topic on 'Ourselves' – we began work on self portraits, this was extended to our Forest school session and the children had a great time creating faces in the dough!

We have had lots of wonderful active sessions throughout the week and made the most of this glorious weather too – visiting the trampoline area, our new trim trail, the forest school and even singing time in the sunshine!

The children have been wonderful communicators this week too and have tried very hard with their individual use of communication aids. We have enjoyed getting to know them all this week and find out about the kind of activities and toys they all enjoy playing with. Its been lovely to watch them all playing alongside each other, turn taking, sharing and interacting.

We have already seen some super duper progress. What little super stars they are

It has been quite a challenge to select some pictures as we have so many lovely ones to choose from!

Overall a wonderful start to the academic year.

We hope you have a lovely weekend

From all of the Elm Class Team 😊

Cole did some impressive dance scarf moves in our PE this week!
