

Oak Class Weekly News

Week beginning 07.03.22

This Week:

We have had a really nice week with a few trips out.

We particularly enjoyed going to **Clitheroe Castle** where we did lots of activities. We met a lady called Julie who showed us around the castle, and talked about its features. Grace asked lots of questions - well done! We then went into the museum, explored artefacts and dressed up as knights. It was really good fun. Finally, we did some practical work where we modelled our own 'motte and bailey' castles in sand. With time on the playground in the park at the end of the day, it was a brilliant day out. The children were great and really enjoyed the day.

We've done **lots of other work**, too - phonics, using and adding money, continued work on forces, castle team games, to name but a few of the activities we have worked on.

The children have also been **designing scenes** that will form the settings for some stories they will be writing. They created their own scenes and chose fitting words to describe them - well done everybody!

Next Week:

Our trips to the **park** and **Sainsbury's** will continue as normal.

On **Friday 18th March** it is **Comic Relief** - pupils may dress in their own clothes for a charity donation of £1.

Exciting news! There are live performances of **Zog and the Flying Doctors** (our World Book Day book) at King Georges Hall in Blackburn on Saturday 7th and Sunday 8th May. There is a link here with more information if any families are interested.
